LETTER DATED 8 FEBRUARY 1993 FROM THE PERMANENT REPRESENTATIVE OF KUWAIT TO THE UNITED NATIONS ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

On instructions from my Government, I wish to transmit to you the following communiqué issued on 7 February 1993 by the Council of Ministers of the State of Kuwait concerning the Security Council's adoption of resolution 806 (1993):

"The Council of Ministers expresses its deep satisfaction at and welcomes the resolution recently adopted by the Security Council for the strengthening of the United Nations Iraq-Kuwait Observation Mission (UNIKOM) and the increasing of its personnel, in order to put a halt to the repeated violations of and attacks on Kuwaiti territorial sovereignty carried out by the forces of the Iraqi regime and so that UNIKOM may undertake its task of maintaining peace between Kuwait and Iraq in accordance with the provisions of Chapter VII of the United Nations Charter.

"The recent resolution of the Security Council gives UNIKOM the necessary power and means to enforce the Security Council resolutions affirming the inviolability of the international boundary between Kuwait and Iraq.

"The Council of Ministers commends the role assumed by the international Organization in the establishment of peace in the world and the significance of this resolution, which serves to affirm the international community's realization of the fact of the aggressive intentions of the Iraqi regime and its insistence on maintaining its policy aimed at obstructing the implementation of international resolutions and threatening security and stability in the area.

"Kuwait reaffirms its faith in the role being played by the United Nations and the Security Council and the role of the Secretary-General and affirms that it will support and back this resolution by all available means in order to ensure the full attainment of its objectives and the achievement of security and stability in the area."
